prosecute any matters that arise before the PTO in the enforceable life of the above-identified patent. Although the Power states that ASSIGNEE is appointing the Firm with "power of attorney" for the sole purpose of prosecuting the matters arising before the PTO in connection with the patent and patent application, that appointment is understood solely in light of ASSIGNEE'S ownership interest in the application. So, despite the use of the phrase "power of attorney," the executed power of attorney does not create any attorney-client relationship between ASSIGNEE and the Firm, or, for that matter, between the Firm and any other person. THE MACROFLUX CORPORATION remains the Firm's sole client in respect of the subject applications and patent. Accordingly, the Firm understands, and your signature on the Power confirms, that the Firm has no attorney-client relationship with ASSIGNEE, or with you personally.
